South Lake Dolphins Swimming Club would like to thank Rama Concrete for a giving consideration to becoming a major sponsor

Due to the ever increasing size of the South Lake Dolphins Swimming Club it is important to have sponsors and we are now inviting local businesses to become a part of our club. During each season we raise funds for training equipment, training camps, trophies, social functions and also to assist our National swimmers with their expenses.

Rama Concrete, a local business in the City of Cockburn has become a major sponsor of South Lake Swimming Club. Mr. Drago Stojanovic, the Director, offered to fully finance re-design and upgrade of the Club's website. In the days to come we will see the new "look" and enjoy the new website.

The following benefits are offered to Rama Concrete in return:

- ✓ **Gold Class Sponsorship** recognition on our 'new' website <http://www.sld.net.au>
- ✓ **Rama Concrete** name and logo on our 'new' website
- ✓ Web link to your page
- ✓ **Rama Concrete** name and logo displayed on programs at all club meets, events and presentations
- ✓ **Rama Concrete** name and logo on 2 new pull-up banners
- ✓ **Rama Concrete** name and logo displayed on all printed and online newsletters and club publications
- ✓ Opportunity to advertise your business through our 'new' website, newsletters and email broadcast to all club members, sponsors, local community and Swimming WA
- ✓ Opportunity to present at Club Trophy Night, Club Nights and other events
- ✓ Free admission to Club Nights, Quiz Night, Season Wind-ups and Annual Dinner.

With much appreciation, thank you.
